LARGER ENROLLMENT MARKS SCHOOL OPENING

The schools of Cooper Township reopened on September 2 with a total of 751 pupils.

The high school enrollment is 229, the largest figure since September 1942, when 272 students entered Cooper. This year's student body includes 49 tuition pupils, most of whom are from Karthaus Township.

Enrollment by individual classes is as follows:

Seniors -- 53
Juniors -- 46
Sophomores -- 56
Freshmen -- 74

The elementary schools have a total of 522 pupils, as follows:

Kylertown -- 141
Grassflat -- 111
Winburne -- 270

The teaching staff in the elementary schools remains the same as last year. A few important changes took place on the high school faculty, however.

Mr. C. Theodore Ardary, Cooper '43, has returned to his alma mater to teach English I and II and take charge of the library. He replaces Miss Marion George.

Miss Alice Milson, teacher of home economics and cafeteria director since 1946, resigned in order to complete work on her Ph. D. degree at Texas State College for Women, at Denton, Texas. So far it has been impossible to secure a home economics teacher, and the home economics department is closed. It is hoped that a teacher will be available at least by the opening of the second semester.

A new school nurse, Mrs. Henry Hirsch, replaces Mrs. Robert Dixon, who resigned. Mrs. Hirsch, the former Freda Fisch, is a graduate of Cooper, Class of '31, and of the Philipsburg Hospital School of Nursing.

Minor repairs were made to the township's buildings during the summer. The only major construction project in progress is the excavation and finishing of a basement room at the Grassflat school. The work is expected to be completed by November 1.

CHARITY FUND DRIVE SET FOR NEXT WEEK

The annual Blue and White Fund Drive will be held this year during the week of October 6. Last year's student body will remember the Blue and White Fund as a plan to unify donations for national charitable organizations. Formerly appeals were made for each fund separately at different times through the year. The new plan results in less trouble for both teachers and pupils and more generous giving.

This year only one collection will be made. The total contributions will be equally divided among the six organizations usually supported by the students. They are: Junior Red Cross, Cancer Fund, Heart Fund, Tuberculosis Society, March of Dimes, and Salvation Army.

The students are asked to cooperate and make the campaign a success.

CLASSES ELECT OFFICERS FOR 1952-53

The upper classes of the Cooper Township High School held their annual elections September 12. Students polling the largest number of votes in their respective classes are as follows:

SENIORS

President--Shirley Josephson
Vice-President--Michael Moyle
Secretary--Audrey Netterblade
Treasurer--Laraine Rauch
Historian--Melvin Beals

JUNIORS

President--Ronald Soder
Vice-President--Stanley Sonos
Secretary--Shirley Nelson
Treasurer--Joyce Rees

SOPHOMORES

President--Bernard Kask
Vice-President--Tom Granville
Secretary--Mary Lou Rauch
Treasurer--Ernest Forco

The Freshman Class postponed its election until September 26 in order to get better acquainted. Results are as follows:

President--Edward Lucas
Vice-President--Patsy Greenland
Secretary--Anastasia Barnes

EDITORIAL

Are you a good salesman? We don't mean a salesman of tickets, magazines, or any of the many things you'll have a chance to sell during the year. But, are you a good salesman of your school?

Your behavior at the football games, skating parties, and all the other school activities you participate in during the school year gives a clear picture of how you regard your school.

Since this is the season for football, let's take as an example how your actions at a game can give your school a good name or a bad one. Your football team is on the field to win and you're there to cheer them on to victory, not to degrade your school by loud profane language, slurring remarks about the opposing team, and unmannerly conduct.

Let's show a little respect for the name of C. T. H. S. and help to maintain Cooper's high standing in the public eye.

This is your first big assignment, students: Sell the public on the idea that your school is a great one.

KEEP UP THE SCHOOL SPIRIT!

STAMP SALE PLANNED IN TOWNSHIP SCHOOLS

A new thrift program will be inaugurated in the near future at Cooper. Government savings stamps will be on sale every Monday morning in each homeroom, with the homeroom teacher in charge. The price of the stamps is ten cents, and any pupil who wishes may purchase one or more savings stamps on any Monday. Participation in the plan is entirely voluntary.

One advantage of the new program is that pupils will be able to purchase savings stamps at the school, much more conveniently than going to the post office or a bank. Many other public schools are offering this opportunity to their pupils, and Cooper Township is taking part in the government savings program for the first time in a number of years. Savings stamps will also be available in the elementary schools.

All pupils should take advantage of the plan, as a regular habit of saving helps to gain security and teaches thrift.

SENIORS, JUNIORS MAKE IMPORTANT DECISIONS

A representative of the Balfour Company visited a senior class meeting recently to show graduation announcements and name cards. The class chose a very attractive announcement, a French fold with engraved lettering.

Publication of a year book and a trip to Washington, D. C., were definitely decided on September 25, when the Junior and Senior Classes met in the auditorium with Mr. Larson and their class advisors, Mr. Zinz and Mr. Lucas, to discuss the two items. Both were unanimously agreed upon. The year book and the Washington trip are joint junior-senior projects.

That afternoon Mr. L. R. Batchelder, of Tyrone, who directs the tour, showed movies of Washington to the entire school and discussed activities of the trip with the juniors and seniors.

25 YEARS AGO AT COOPER

Cooper's 1927 football team faced a schedule of eleven games, including two with Morris. The September COTOHISC reports a 27-0 win over Madera (now Moshannon Jt.) and a 32-12 loss to Clearfield.

Congratulations to Caernarvon Township High School for getting out a copy of "The Welshman" on the second day of school. They must be supermen!

NEWS OF THE FACULTY

PRESENT AND PAST

Mr. C. T. Ardary, better known as "Ted" among his fellow Cooper-nians of the Class of '43, is Cooper's newest faculty member. Mr. Ardary is a graduate of Lock Haven State Teachers College and received an M. A. Degree in English from Western Reserve University. This is his first teaching position. He served $2\frac{1}{2}$ years in the Navy, and was formerly employed as supervisor of the footwear division of the U. S. Rubber Co. in Naugatuck, Connecticut.

Mr. Ardary is married to the former Esther Sarver of Beaver Falls, Pa., and has one child, Charles T., Jr., who is $2\frac{1}{2}$ years old.

* * * * *

Mr. John M. Deliman completed work for his Master of Education degree at Penn State during the summer. He majored in administration and supervision and minored in history and philosophy.

* * * * *

Miss Geraldine Bickford attended summer school at Boston University. She traveled in Maine and attended many fine concerts and plays.

CHANGES NOTED AS CAFETERIA OPENS

The high school cafeteria opened September 16 with 184 pupils buying meal tickets for the first week. Several changes, in both personnel and equipment, have been made.

A new head cook, Fred Snedden, is on duty, with Miss Ida Olson as assistant. Mrs. Karl Kizina, also a new employee, divides her time between the high school and the Winburne cafeteria.

Mr. Snedden has had wide experience in restaurant and hotel cooking and as a mess sergeant in the U. S. Army. Besides cooking, he has had to assume some of the duties of meal-planning and ordering, formerly handled by Miss Alice Milsom.

A walk-in cooler, 6' by 8', was installed last week at a cost of about \$1,500. It replaces the refrigerator, which has been moved to the Winburne cafeteria. Winburne's old refrigerator was traded in on the cooler.

As an experiment, an ice-cream cabinet is being placed in the cafeteria, where the pupils may buy ice cream after lunch. If the innovation proves successful, the service may be extended to the other schools.

Michael E. Kolivosky has assumed his new duties as dean of men at Hillsdale College, Hillsdale, Michigan. Mike is an alumnus of Cooper in the class of 1936. After his graduation from Lock Haven State Teachers College he taught in the Winburne School and at Cooper for several years. He is remembered here especially for his success as a coach of dramatics.

Leaving Cooper in 1944, Mike served on the faculty at Stevens College, in Missouri, for two years, and has been on the staff at Michigan State College since 1945. There he has worked mainly in sociology and guidance. He received his master's degree in 1946 and his Ph. D. just this month, both from Michigan State.

Mike is married to the former Florence Folmar, Cooper '42, and they have one child.

* * * * *

Miss Marion George, who taught at Cooper last year, is at her home in Clarion. She expects to receive a position with one of the airlines.

* * * * *

Mr. and Mrs. Thomas Anthony of Bloomsburg announced the birth of a daughter, Jane Elizabeth, on July 8. Mrs. Anthony, the former Nancy Brunstetter, taught English at Cooper in 1950-51.

* * * * *

Mr. and Mrs. John G. Holyoke of Beloit, Wisconsin, are the parents of a son, Edward Linton Holyoke, born July 18. They have two daughters. Mrs. Holyoke, the former Ellanora Linton, was Cooper's first home ec. teacher, in 1942-44.

LIBRARY SUBSCRIBES TO READERS' GUIDE

The high school library has opened this year under a new supervisor, Mr. C. T. Ardary. This year Mr. Ardary is planning to start a reference shelf for magazines. The high school has subscribed for the abridged Reader's Guide, which is a monthly reference listing the important articles of thirty-five top magazines. The new guide will be of great interest and value to the students.

Ten new books have been placed in the library: My Love is a Gypsy, Southpaw Fly Hawk, The Land and the People of India, Summer in Their Eyes, The Black Stallion's Filly, The Land of the Polish People, Only Child, Land of Joar of Arc, The Port of Missing Men, and The South Sea Shilling.

GRASSFLAT

KYLERTOWN

Enrollment in Grassflat is as follows:

Room 1	-	26
Room 2	-	30
Room 3	-	28
Room 4	-	27
Total		<u>111</u>

We extend our sincere sympathy to Robert Humenay of Room 3 and Dennis Humenay of Room 2 on account of the death of their father Andrew Humenay on September 2. Sympathy goes also to Thomas Chalkan of Room 2 whose father, Michael Chalkan, died September 8.

We are sorry Dustin Hrenka of Room 1 is ill and has been in the Philipsburg State Hospital since the first week of school. We wish him a speedy recovery.

Fifth and sixth graders enjoyed several art classes conducted on the lawn of the school ground. Each pupil drew the front view of the school building. Several drawings were excellent.

Donna Johnson, Grade 6

Telling original "tall stories" made sixth-grade English class more interesting. Here are two which we liked.

Talking Fish

One day last winter when the snow was ten feet high, my brother invited my cousin and me to go fishing. After walking for an hour we finally saw the stream ahead of us. For about five minutes everything was quiet. I looked around and to my surprise and excitement, I saw a big fish leading seven little fish in a song. I had heard fish sing before but this was very beautiful. Then all at once a small fish saw me and screamed, "A fisher!" and they all jumped into the water.

Barbara Askey, Grade 6

The Bear and the Bee

Once there was a bear who lived in a cave. He planted pretty flowers all around his house. One day the bear went to look for something to eat. As he walked past a hollow tree the smell of honey reached his nose. He looked up in the tree and saw some bees flying around. Then he started up the tree after the honey. A bee came down and said to him, "If you leave our honey alone, we'll give you half of it." The bear agreed and said to the bee, "If you and your bees want some flowers to get honey from, you can come over to my place. I have some flowers planted around my cave. But you have to give me half of the honey." The bees agreed. The bear and the bee have been friends ever since.

Larry Erickson, Grade 6

The total enrollment for the Kylertown building is as follows:

Room 1	Mrs. Everett	Grade 1	25
		Grade 2	7
Room 2	Miss White	Grade 2	17
		Grade 3	16
Room 3	Mrs. Linder	Grade 4	18
		Grade 5	20
Room 4	Mrs. Wasseen	Grade 6	19
		Grade 7	18
			<u>140</u>

A set of "The World Book" encyclopedias has been bought by Kylertown school. The pupils find these very helpful and interesting.

The pupils of the Kylertown school are enjoying the new playground equipment which was installed this summer. The equipment was bought with money earned by the pupils.

Kylertown School will still appreciate receiving Acme sales slips which they are saving towards a free television set.

Room 3 is enjoying their new geography books very much.

"World News of the Week" is being used in Grades 4, 5, 6, 7. Each pupil contributed 23 cents toward the cost.

This news comes to us weekly on a large paper about 50" by 36". Each news item is numbered to correspond with the numbered place on the map which is making the news. We enjoy it and are getting acquainted with our world and what's happening in it.

New students enrolled in Room 4 are Charles Shubert from Leonard Grade School, Clearfield, and Melford Teets from Star School, Pine Glen.

GRASSFLAT

Continued from Column 1

Room 3 has 17 fourth graders and 11 fifth graders, a smaller enrollment than in previous years.

Ralph Miller, a fourth grade pupil who had an accident during the summer while riding his bicycle, has improved enough to be able to enter school last week. We are all glad to see Ralph back again.

ELEMENTARY NEWS

WINBURNE

The Winburne school opened September 2 with a total of 269 pupils. We have 2 tuition pupils registered in our building.

We found our school building immaculate. Thanks to the Johnsons for a perfect job of cleaning.

There has been a change in our cafeteria personnel. We regret the loss of Mrs. Gable but we welcome Mrs. Kizina to our building and promise her and Mrs. Kyler our cooperation for the ensuing year.

We, too, welcome our new nurse, Mrs. Hirsch.

Grades 7 and 8 were delighted when they were informed that they were permitted to attend the J.V. football game on September 22.

On September 11 the ladies from the Kylertown Presbyterian Church sold hot dogs and cup cakes in our cafeteria room.

* * * * *

Room 4 is again organized for the new school term with an enrollment of 19 fourth-graders and 15 fifth-graders. How glad we are to have Joan Bennett and Ross Johnson from Curwensville, as well as Leslie Little back from a year's absence due to rheumatic fever. We are glad to get into school work again after a pleasant vacation. We enjoyed carrying lunches for a few days until the cafeteria got under way. For the first week we had 22 eating hot lunches.

With the first few days of confusion over, we are now ready for the tasks that lie ahead until the spring of 1953.

* * * * *

The 7th graders of Winburne school are very glad to be back to school again. There are 37 pupils this year in the 7th grade.

VIKINGS SHOW FIGHT, WIN ONE, LOSE TWO

COOPER 7, BELLEFONTE 40

Coach Harold Beveridge's Cooper Township Vikings opened their 1952 season on a sad note on the night of September 12 at Bellefonte. They absorbed a 40-7 defeat from the Red Raiders, playing under a new coach, Bill Luther. Cooper, fighting hard all the way, just couldn't combat the Raiders' powerful offense.

Bellefonte tallied three quick touchdowns in the first period before Cooper's defense tightened up. Cooper then settled down somewhat but were not able to stop the Luthermen from scoring twice more.

The Vikings' lone tally came in the third quarter when John Zelenky raced off tackle for eight yards and the score.

Cooper lost the services of halfback Mike Starcovic, who suffered a broken elbow in the tussle.

COOPER 13, RENOVO 12

On the afternoon of September 20 the Vikings made their first home appearance against the Renovo Railroaders. After the smoke cleared the Beveridgemen were out on top by a 13-12 margin. The victory put the Vikings' record at an even 1-1 slate.

The referee's four-minute signal touched off a flurry of touchdowns. Close to the end of the first half Cooper halfback Mike Lucas picked off an enemy aerial on the Renovo 25 and romped into the end zone for the score. Jim Palush's point made it 7-0. Ronnie Soder's recovery of a fumble on the kickoff set off the second T.D., with Zelenky skirting right end for the score. The try for the extra point was no good.

Renovo then clicked on a long pass covering 55 yards.

In the third quarter Renovo drove 65 yards for their final touchdown and again missed the extra point. Cooper then staved off a last-minute Renovo rally to come out with the victory.

LET'S BEAT MORRIS!

COOPER 6, OSCEOLA 13

A scrappy Cooper team went down to defeat at the hands of the Osceola Indians in a hard-fought game played under the lights at Osceola on September 26.

Palush carried over the only Cooper touchdown early in the game, after Ronald Soder recovered a fumble on the Osceola 12 and Zelenky carried the ball to the 1 foot line. Osceola scored its first T.D. in the last minute of the second quarter. The score at the half was 7-6 with the Indians on top.

In the third quarter Pitts of Osceola made their second touchdown, building the score to 13-6. Several times during the game Cooper neared Osceola's goal but lost the ball on fumbles or penalties. In the last quarter, Palush's punt return made it first down and goal to go on the Indians' 7-yard line as the game ended.

STUDENTS ELECT NEW CHEERLEADER

A new cheerleader and a cheerleader captain were elected by the student body after tryouts in assembly on September 5. One of five sophomore candidates, Betty Jane Lawrence, was elected by a large majority to fill the vacancy in the cheerleader squad left by the graduation of Nancy Coble. Donna Luc Earley succeeds Nancy as captain. Other members of the squad are Shirley Simcox, Patty Johnson, and Doris Johnson.

The cheerleaders are conducting several money-raising projects in the hope of purchasing warm jackets to match the skirts they bought last year.

PEP MEETINGS FEATURE ASSEMBLIES

On Friday, September 12, the first pep meeting of the 1952 football season was held. The student body, inspired by the cheerleaders, showed a surprising amount of pep.

A new song, "March, March on Down the Field," was added to the old time favorites. The singing was much improved because of Miss Bickford's work on pep songs with the music classes and the chorus.

Short speeches were given by Coach Beveridge and other teacher. Spirited, well-planned pep meetings of similar fashion were held on September 19 and 26.

During the first week of school, the students enjoyed the first Philadelphia Inquirer newsreel of the year. It included a review of important news events of the summer. The second edition was shown last Friday.

HAVE YOU HEARD?

SENIORS JUNIORS

The seniors are glad to have Mr. Lucas again as their home room teacher and class advisor.

"Bell Bottom Trousers, Coats of Navy Blue"--is the tune the seniors are marching to this year, as they selected navy blue and white for their class colors with the white carnation as the co-ordinating flower.

We are sorry to have lost two of our classmates, Alice Picard and Helen Krupa, both of whom have quit school.

However, we are happy to have another class member, Grace Coudriet, who, after having spent her junior year at Clearfield High School, has come back to Cooper.

John Zelenky is bothering only one of the freshmen these days. And it's a girl at that!

The juniors welcome Mr. Zinz as their home room teacher and class advisor.

The Junior Class suffered the loss of one of their classmates, Margaret Dudak, who moved to Detroit, Michigan.

Room 7 has its share of romances already this year. Let's look into this:

Leah, who is your Mr. Prince Charming? It couldn't be Chuck, could it?

Mickey Starcovic is still happy despite his injured arm. Jane is the reason behind this, we hear.

Is Roger telling the truth when he says his lip was bruised in the Osceola game? We wonder if Shirley didn't have something to do with it. Anyhow, we hope he will soon be able to enjoy a big feast.

SOPHOMORES

"What would you do if you had a million dollars?" That question was asked a group of sophomores. They answered as follows:

SQUEAKY GUYDOS--Buy a car with a built-in highchair.

DONNA LITTLE--Build a restaurant in Clarence.

JOE KRUPA--Buy all the bubble gum I could.

RONALD KROLLMAN--Buy a hot rod.

MIKE KRUPA--Take a trip to the moon.

BETTY LAWRENCE--Buy Jane Hummel something to keep her from falling.

ATTENTION! Room 6 announces the world's two gum chewing champs of 1952--Leonard Olson and Lillian Palinkas.

The sophomores would like to express their appreciation to those who cooperated with the refreshment sales at the football game on September 20.

Room 4 welcomes Mary Lucas and Esther Teats as new sophomores.

The sophomores are very proud of Mike Lucas's touchdown in the Renovo game.

It seems some people just don't believe in the common, everyday things until they are fully explained. "Isn't that right, Wayne?"

GUESS WHO?

SENIOR

Hair of gold, eyes of blue,
This little girl finds lots to do.
Always ready for a softball game,
Her friendly nature's her claim to fame.

JUNIOR

Black curly hair, a Pepsodent smile,
Somewhat quiet, but right in style.
Of gangs or fights he wants no part.
Leah now holds the key to his heart.

FRESHMEN

The freshmen are becoming pretty well acquainted with the rules and regulations here at Cooper High. They have graduated from the bashful stage and are slowly finding their rightful place in the halls of Cooper.

We'll admit we are new, but Cupid works awfully fast. How about it, Vonnie?

We heard a lot of giggling coming from Room 5. It seems David was explaining the connection between carrots and mothers.

We took a poll in the Freshman Class to see which student traveled the farthest this summer. Dean Kephart came out on top. Seems he went on a fishing trip to Northern Canada. If you want to learn the fine arts of fishing, see Dean.

A trip to Maine highlighted Naomi Thompson's summer. How are the summers in Maine, Naomi?

Some other places explored by the freshmen this past summer are Mantolohen, New Jersey; Detroit, Michigan; and Mexico, Pennsylvania. How many of you knew that we had a Mexico of our own in Pennsylvania?

We hope everyone else had a grand time during their summer vacation.

GUESS WHO?

SOPHOMORE

This soph. lad, who's very keen,
Near Room One is often seen.
A friendly smile he always wears;
His life is free of worldly cares.

FRESHMAN

A Karthaus lass, who's very neat,
A girl like her is hard to beat.
Her curly hair and sparkling eyes
Are greeted by boys with many sighs.
